

July Morning Watch

Has anyone ever told you, "Be good!"? As you grow, you will hear a lot of things regarding good and bad. Who is good and who is bad? Is your life one that would attract others in a good way or in a bad way? Is it a life that is good and upright? Who decides what is good and what is bad? The most important thing to know is what God says. How does God characterize the good and the bad?

Begin each day with prayer asking God to teach you, to open your eyes, to examine your heart and your actions.

1. Read the selection from Proverbs.
2. Then in a notebook make two columns with the following headings. Fill in each column with the characteristics covered in the passage.
3. Answer the following questions on another sheet of paper:
 - Which of these characteristics do you see in your life now?
 - Which of these do you need to see in your life more often?
 - How can you get them into your daily life?
