

November Morning Watch

November is the month of thanksgiving, a time to give thanks. A thankful heart is one that expresses gratitude because it is conscious of benefits received. When we are thankful we often bless or praise the giver as well as thank them. Each day do the following:

1. Study the passage and answer as many of the following questions as you can.
WHO is being thanked, **WHO** is doing the thanking
WHAT is the giver being thanked for
WHERE is the thanking taking place
WHEN is the thanking being done
WHY is the thanks being given
HOW is the person showing thankfulness
2. What things in your daily life compare to the items you listed in answering "What" in question 1?
3. Are you thankful? How can you show thankfulness right now? How can you continue to be thankful and show thankfulness all day long?

The Psalms are full of songs of thanksgiving.

In addition consider if there is someone in your life you need to thank God for. Can you pray the prayer in the passage for them, for their growth? Take time to do so today.
